HOSTED BY:

CONVENED BY:

The Pennsylvania Automated Vehicle Summit is the largest dedicated Automated Vehicle conference in the Northeast region, bringing together both public and private industries.

The conference's subject matter experts and diverse group of attendees come together to discuss and engage with the broad range of issues related to these emerging technologies.

HOSTED BY:

- ITSPA - Intelligent Transportation Society of Pennsylvania
- MASITE - Mid-Atlantic Section of the Institute of Transportation Engineers

CONVENED BY:

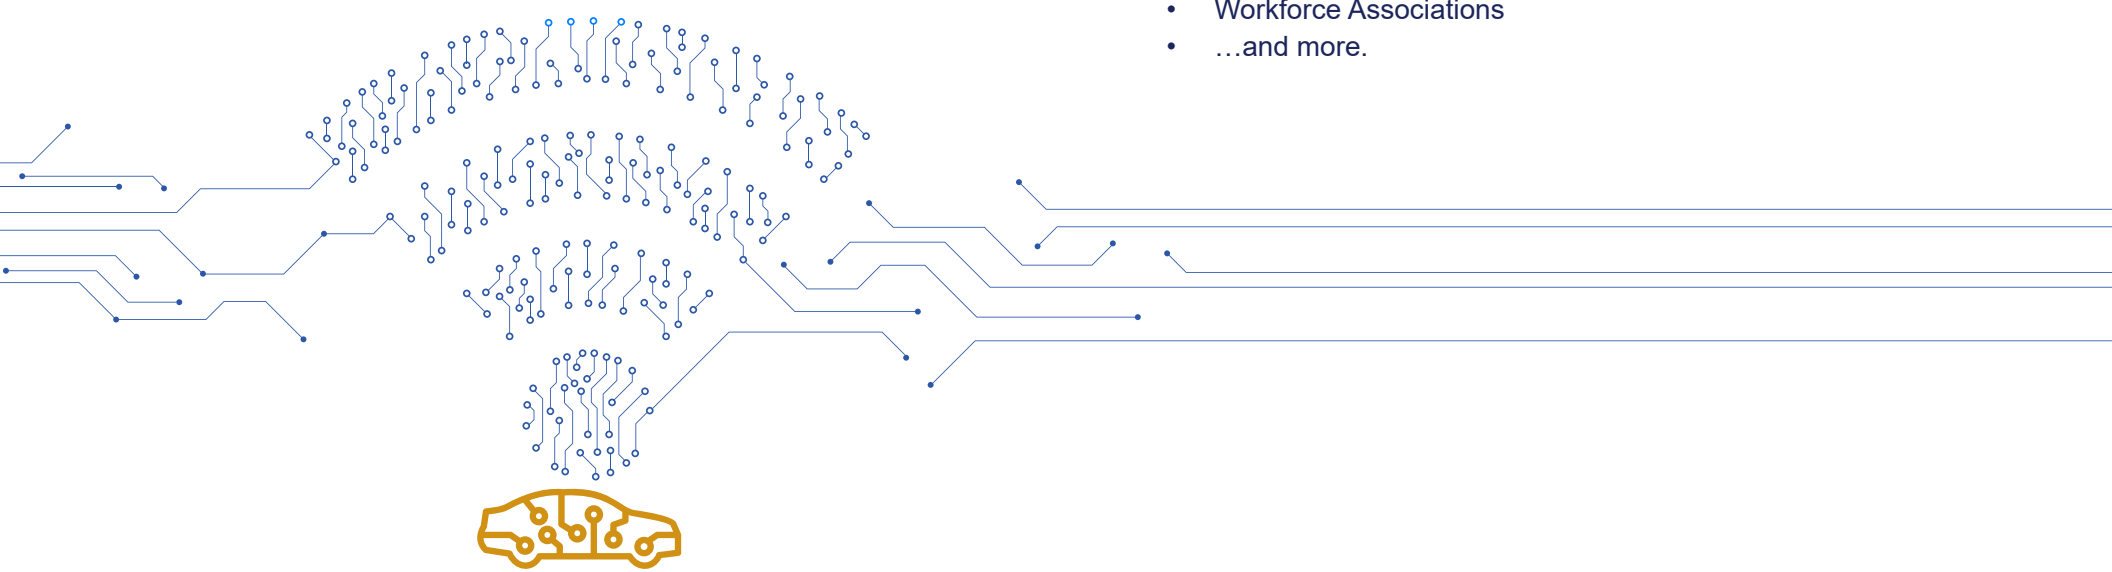

- PennDOT - Pennsylvania Department of Transportation
- PTC - Pennsylvania Turnpike Commission
- DCED - Department of Community and Economic Development

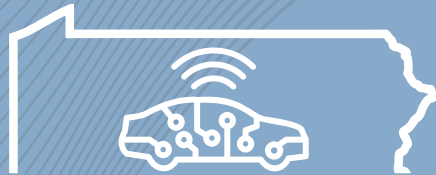

The PA AV Summit aims to foster a wider public understanding and dialogue around the benefits and issues related to AV technologies. Attendees are encouraged to actively engage in the conference sessions and discussions, sharing their diverse views and perspectives with the other industry stakeholders.

Speakers and attendees come from a wide range of industries:

- AV Testers/Developers
- Automotive Manufacturers/Vendors
- Government Officials (federal, state, regional, and local)
- Academics/Educators
- Researchers
- Engineers/Scientists
- Planners
- Economic Developers
- Lawyers

Program Diversity

The PA AV Summit has historically consisted of a richly varied line-up of 100+ speakers, panelists, and presenters who provide an exceptional range of backgrounds, experience, and perspectives.

Keeping with the rapidly growing diversity of the transportation professions in Pennsylvania and the nation, nearly 60% of all program participants in Summits #3 and #4 were minorities and women.

Past Speakers

Speakers from the following organizations have shared their expertise during previous Summits.

Professional Development Hours

Earn up to 6 HOURS WORTH OF CREDIT HOURS at the PA AV Summit.

The PA AV Summit will provide professional development and continuing education credits for engineers, planners, and lawyers who attend the breakout sessions.

One 30-minute session = 0.5 PDH/CM/CLE Credit Hours

One 60-minute session = 1.0 PDH/CM/CLE Credit Hour

Network with your Peers

Join us after day one for an in-person networking event to catch up and network with your peers. More details to follow.
