The skills managers and leaders need, on the local and municipal level, to be prepared to serve in the 21st Century has evolved. This session will focus on the intersectional human needs of PA residents and the leadership, management, and thinking needed to make progress in the next 5 to 10 years. Servant Leadership is the call of the 21st Century—where human need is at the core. Attendees should prepare for interaction, critical thinking, and solutions focused problem solving.
