APA PA SEEKING NOMINATIONS FOR 2023 GREAT PLACES IN PENNSYLVANIA

GREAT PUBLIC SPACES

Great Places are unique, memorable places that display a wealth of best practices in community planning.

Nominations accepted in two Great Places categories.

GREAT TRANSFORMATIONS

Great Places offer better choices for where and how people live, work, and play. They are enjoyable, safe, sustainable, and desirable. They build healthy and resilient communities.

Do you know a public space or transformation project that embodies planning excellence and serves as a model for other communities? Do you think it merits designation as a Pennsylvania Great Place? If yes, PLEASE NOMINATE IT! **The deadline for Nominations is Monday, May 8, 2023.**

APA PA will recognize successfully designated Great Public Spaces and Transformations through an array of activities, such as:

- News and social media announcements statewide and locally
- Presentation of the Great Places Certificate at a local meeting or community event
- Presentation of Window Clings to showcase the designation to the community
- Recognition on the APA PA website
