With thirty years of experience as a municipal manager overseeing multimillion dollar budgets and up to 150 full-time employees, Stephanie Teoli Kuhls possesses an in-depth understanding of all aspects of municipal management. She has developed strong government and business relationships through long-standing leadership roles with organizations that include the Association of Pennsylvania Municipal Management, Delaware Valley Trusts and Bucks County TMA. A frequent speaker at regional and statewide meetings and conferences, she teaches Effective City Management at Villanova University and has a passion for helping emerging leaders succeed in the field. Ms. Teoli Kuhls received a Bachelor's degree from Elizabethtown College and a Master's in Public Administration from the Pennsylvania State University.
